Re: Offer of Appointment as Visiting Student Intern at Purdue University

Dear Mr. Debnath:

On behalf of Dean Arvind Raman and the College of Engineering, it is my sincere pleasure to offer you an appointment as a Visiting Student Intern in the Elmore Family School of Electrical and Computer Engineering at Purdue University to begin June 16, 2023. This offer is contingent upon the satisfaction of various conditions as described in this letter.

Visiting Student Intern appointments are not student appointments. Visiting Student Interns are not enrolled Purdue students, are not participating in any Purdue degree-program, and are not eligible for any "Purdue student" benefits, programs or administrative support. The Visiting Student Intern appointment is considered an International Scholar appointment.

Visiting Student Interns are invited to the University to engage in a structured and guided work-based program that fulfills (partially or fully) an academic requirement of their current degree program at their "home" post-secondary institution, Indian Institute of Technology. The structured work-based program should enable to appointee to put into practice the concepts, skills or techniques acquired during their home institution degree program, and/or to experience the professional environment of their expected career path. The educational objective of this student internship at Purdue is to work with Professor Roy and his research group on the design of resource efficient machine-learning algorithms based on brain inspired computing models like Spiking Neural Networks and their circuit and architecture mapping.

Professor Roy Kaushik will serve as your host while you are at Purdue University.

*Applicable Terms & Conditions affecting Visiting Student Interns*

Your Visiting Student Intern appointment does not carry any salary, health insurance or other benefits. The Elmore Family School of Electrical and Computer Engineering will provide a monthly living allowance of \$1300.00.

Your appointment will begin on June 16, 2023. The anticipated end date of this appointment is July 31, 2023, at which time your appointment will terminate without further notice. Renewals of student Intern appointments are contingent on (i) continued enrollment and good standing a post-secondary academic degree program at their home institution, (ii) funding and (ii) demonstration that the extension will either (a) fulfill (partially or fully) a new academic requirement of their current degree program at their "home" post-secondary institution, or (b) will continue to fulfil the pre-existing education objective, which was not fulfilled within the originally anticipated timeframe (note that there must also be a satisfactory explanation of why the objective was not met as anticipated).

You will be issued a Purdue identification card, be able to use library facilities, and your name will be listed in the University directory and on appropriate mailing lists. In addition, you will be eligible to purchase a parking permit for the length of your appointment, but prior to leaving the University, we ask that you return your permit to Parking Facilities. The permit is non-transferable.

As a Visiting Student Intern at Purdue University, your appointment is subject to all applicable Purdue University policies, as they may be amended from time to time. It is your responsibility to become acquainted with the following policies, which are specifically incorporated into this letter:

1. VI.B.3 "Appointments for Personnel Not on Payroll"  
[www.purdue.edu/policies/human-resources/vib3.html](http://www.purdue.edu/policies/human-resources/vib3.html)
2. I.A.1 "Intellectual Property"  
[www.purdue.edu/policies/academic-research-affairs/ia1.html](http://www.purdue.edu/policies/academic-research-affairs/ia1.html)

Please note that policy I.A.1 referenced above requires Visiting Student Interns who create intellectual property ("IP") in the course of their appointment with Purdue University to execute a general assignment of such IP in favor of Purdue, subject to certain exceptions, including one for certain scholarly and instructional copyrightable works. By accepting this offer letter, you will be making a prospective assignment of Purdue Intellectual Property (as defined in policy I.A.1) that you create in the course of your appointment with the University.

#### *Conditional Invitation*

This invitation is also contingent upon your obtaining and maintaining appropriate immigration status to permit you to engage in the activities of a Visiting Student Intern.

This letter and the policies referenced above contain the entire agreement concerning your appointment with the University. If these terms are acceptable and if you assent to the assignment of Purdue Intellectual Property, as described above and defined in Policy I.A.1, please sign where indicated below and return a signed copy to me by upon your earliest convenience.

The faculty and staff join me in welcoming you to the Elmore Family School of Electrical and Computer Engineering and look forward to working with you. We trust that it will be mutually rewarding.

Sincerely,

Professor Dimitrios Peroulis  
Elmore Family School of Electrical and Computer Engineering  
College of Engineering

I have read and understand this letter and the policies referenced above, I agree to the terms and conditions of this appointment, and I hereby assign to Purdue University all Purdue Intellectual Property that I may create in the course of my appointment with the University.

Electronic Record and Signature Disclosure		

## **ELECTRONIC RECORD AND SIGNATURE DISCLOSURE**

From time to time, Purdue University - Central IT (we, us or Company) may be required by law to provide to you certain written notices or disclosures. Described below are the terms and conditions for providing to you such notices and disclosures electronically through the DocuSign system. Please read the information below carefully and thoroughly, and if you can access this information electronically to your satisfaction and agree to this Electronic Record and Signature Disclosure (ERSD), please confirm your agreement by selecting the check-box next to 'I agree to use electronic records and signatures' before clicking 'CONTINUE' within the DocuSign system.

### **Getting paper copies**

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. You will have the ability to download and print documents we send to you through the DocuSign system during and immediately after the signing session and, if you elect to create a DocuSign account, you may access the documents for a limited period of time (usually 30 days) after such documents are first sent to you. After such time, if you wish for us to send you paper copies of any such documents from our office to you, you will be charged a \$0.00 per-page fee. You may request delivery of such paper copies from us by following the procedure described below.

### **Withdrawing your consent**

If you decide to receive notices and disclosures from us electronically, you may at any time change your mind and tell us that thereafter you want to receive required notices and disclosures only in paper format. How you must inform us of your decision to receive future notices and disclosure in paper format and withdraw your consent to receive notices and disclosures electronically is described below.

### **Consequences of changing your mind**

If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required notices or disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper notices or disclosures. Further, you will no longer be able to use the DocuSign system to receive required notices and consents electronically from us or to sign electronically documents from us.

### **All notices and disclosures will be sent to you electronically**

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through the DocuSign system all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures electronically from us.

### **How to contact Purdue University - Central IT:**

You may contact us to let us know of your changes as to how we may contact you electronically, to request paper copies of certain information from us, and to withdraw your prior consent to receive notices and disclosures electronically as follows:

To contact us by email send messages to: [itap@purdue.edu](mailto:itap@purdue.edu)

### **To advise Purdue University - Central IT of your new email address**

To let us know of a change in your email address where we should send notices and disclosures electronically to you, you must send an email message to us at [itap@purdue.edu](mailto:itap@purdue.edu) and in the body of such request you must state: your previous email address, your new email address. We do not require any other information from you to change your email address.

If you created a DocuSign account, you may update it with your new email address through your account preferences.

### **To request paper copies from Purdue University - Central IT**

To request delivery from us of paper copies of the notices and disclosures previously provided by us to you electronically, you must send us an email to [itap@purdue.edu](mailto:itap@purdue.edu) and in the body of such request you must state your email address, full name, mailing address, and telephone number. We will bill you for any fees at that time, if any.

### **To withdraw your consent with Purdue University - Central IT**

To inform us that you no longer wish to receive future notices and disclosures in electronic format you may:

- i. decline to sign a document from within your signing session, and on the subsequent page, select the check-box indicating you wish to withdraw your consent, or you may;
- ii. send us an email to [itap@purdue.edu](mailto:itap@purdue.edu) and in the body of such request you must state your email, full name, mailing address, and telephone number. We do not need any other information from you to withdraw consent.. The consequences of your withdrawing consent for online documents will be that transactions may take a longer time to process..

### **Required hardware and software**

The minimum system requirements for using the DocuSign system may change over time. The current system requirements are found here: <https://support.docusign.com/guides/signer-guide-signing-system-requirements>.

### **Acknowledging your access and consent to receive and sign documents electronically**

To confirm to us that you can access this information electronically, which will be similar to other electronic notices and disclosures that we will provide to you, please confirm that you have read this ERSD, and (i) that you are able to print on paper or electronically save this ERSD for your future reference and access; or (ii) that you are able to email this ERSD to an email address where you will be able to print on paper or save it for your future reference and access. Further, if you consent to receiving notices and disclosures exclusively in electronic format as described herein, then select the check-box next to 'I agree to use electronic records and signatures' before clicking 'CONTINUE' within the DocuSign system.

By selecting the check-box next to 'I agree to use electronic records and signatures', you confirm that:

- You can access and read this Electronic Record and Signature Disclosure; and
- You can print on paper this Electronic Record and Signature Disclosure, or save or send this Electronic Record and Disclosure to a location where you can print it, for future reference and access; and
- Until or unless you notify Purdue University - Central IT as described above, you consent to receive exclusively through electronic means all notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you by Purdue University - Central IT during the course of your relationship with Purdue University - Central IT.
